

## Public School Enrollment Verification Form

Name: _____	Date of Birth: _____
-------------	----------------------

Highline Public Schools accepts non-resident students to enroll at the Puget Sound Skills Center. To enroll, Highline requires that if the student's sole purpose is to access the skills center, that students complete an inter-district agreement form and verify enrollment in their resident school district.

Please complete the information below as verification that this student will be enrolled in a public school to access educational services at Puget Sound Skills Center for \_\_\_\_\_ programming:

Resident School District: _____
Resident District Enrolling School: _____
Student Grade Level: _____
Enrollment Date: _____

This form documents the required public school enrollment as verified by the undersigned parent/guardian and district/school representative.

Parent/Guardian: _____	Date: _____
District/ School Representative: _____	Date: _____

The Office of Superintendent of Public Instruction requires that all skills center students enrolling or participating in skills center programs must be enroll in a public school district. This status must be documented and submitted to Comprehensive Education Data and Research System (CEDARS) (*Reference from the most recent CEDARS Reporting Guidance manual*).
